## Exciting New Products!

### Programmable Electronic Deadbolt

The electronic deadbolt can be managed and programmed making your security management system more flexible and ensuring the safety and security of residents.

### Combination USB Charger with Tamper Resistant Receptacle

Conveniently charge your phone, tablet, camera, music device, e-reader and other USB electronics while saving energy.

### Automatic Shut-Off Valve for Washing Machines

An automatic timer valve that is manually activated and automatically shuts off the water supply to washing machine hoses. Eliminates pressure on hoses and prevents flooding in the case of a burst hose.
